

9-5 Product & Pricing Changes

Effective from 03 October 2008, the following 9-5 model range product and pricing changes will take place:

The Airflow, Linear SE, Vector Sport and Aero trim levels will be discontinued and it will not be possible to order these model variants. It will only be possible to order Turbo Edition models.

The 2.3t (185hp) engine will be discontinued from the Turbo Edition range.

The 2.0t BioPower engine will be introduced to the Turbo Edition range.

A price increase is applied to Turbo Edition TiD and Turbo Edition 2.3T (260hp) engines.

The following new prices apply to the 9-5 Turbo Edition range, effective from 03 October 2008:
