## Saab Price Increases Confirmed

Saab has now confirmed the price increases across the full range. The increase will come into effect as of the 1st June 2008.

The Automatic gearbox has an increase of £50 across the complete Saab model range. Metallic paint also has been increased by £25; although this will have no affect on CH due to our FOC terms with Saab, it will effect the P11d values.

You have until Midday 30th May to send your orders across to us so that we can place them on the system to qualify for price protection before the price increase comes in to affect.

### So hurry to get those cheaper rates!!!!

See the examples below of how the price increase will effect our top selling vehicles.

## Alfa GT Quadrifoglio

Following the success of the Alfa GT Blackline, a new special edition, the Alfa GT Quadrifoglio has been launched.

This new Special Edition has been centrally ordered in limited numbers and will be available on the 1.8 TS, 2.0 JTS, 1.9 JTDM 16v and the new 1.9 JTDM 16v Q2 170HP engines.

### Equipment

The GT Quadrifoglio will come with a similar level of equipment as the current Blackline version as follows:

- 18" unique 5 double spoke alloy wheels with 225/40 R18 tyres
- Satin effect wing mirrors & front grille
- Sports seats upholstered in black sports leather
- Sports dials with red background
- Stainless steel kick plates
- Aluminium sports pedals
- Red painted brake callipers
- Passenger seat height adjustment
- Sports suspension and body kit

### Colour combination

The Alfa GT Quadrifoglio will be available in three colours which are Carbonio Black, Alfa Red and the new Atlantico Blue metallic paint.

### The new 1.9 JTDM 170 BHP engine

This new engine offers a performance advantage over the 150 bhp version giving the car a 0 to 62 time of 8,2 seconds and top speed of 134 mph. A Sport button on the central console varies the mapping of the engine management unit to increase the power output.
